

# THE SQUIRES COMPASS

UNITED YOUTH FULFILLING CHRIST'S MISSION

JULY - SEPTEMBER 2017

## CYRIL RAMIREZ

*Membership Committee Chairman*

Hi, I'm Cyril Ramirez. I'm serving as the Provincial Membership Chairman. I am 16 years old and in Grade 11 at John Cabot Catholic Secondary School. I am the current Deputy Chief Squire of Gerald Emmet Cardinal Carter Circle #4827 at St. Patrick's Church in Mississauga. I was the former Chief Squire and also served as the Notary Squire. I look forward to working along side with the Provincial team.

My liaison is Alex Bruce. He is the Provincial Bursar. This is his first year on the Board. He has a passion and talent for music.

*"I can do things you cannot, you can do things I cannot; together we can do great things."*

- St. Teresa of Calcutta

### WE WANT TO HEAR FROM YOU!

*Send us a report on your pillar events for a mention on our website!*

## MEMBERSHIP PILLAR

**This pillar places importance on recruiting new Squires to maintain the life of the circle. It is vital to recruit young members to replace the old.**

### **JULY FUN SWIM**

Many Squires and Counsellors may be on vacation with their families. However, if you are able to find a weekend where many Squires are present, Squires can invite a friend or two to swim at a local pool. This is a great way to get everyone active and growing in brotherhood together.

### **AUGUST FALL CLEAN UP**

Squires may bring along a few friends to rake fallen leaves as well as clean up garbage in the area. High school students need 40 hours of community service so this event can help them complete them. After the hard work everyone can have some refreshing drinks and snacks. This shows how Squires help around the community.

### **SEPTEMBER BOWLING NIGHT**

Squires may bring a few friends to a local bowling alley. Everyone will have a good time bowling while eating snacks. When there is time to socialize with one another, the boys can explain what the Squires program is about to the possible candidates and learn more about the candidates themselves.
