## BRENNAN MELOCHE

*Service Committee Chairman*

Hi, I'm Brennan Meloche. I'm serving as the Provincial Board Service Chairman. I am 14 years old, and I'm currently in grade 10 at École Secondaire Catholique l'Essor. I'm from the Alex Chevrier Circle #3064 in Essex where I am the Chief Squire. I am also very involved with my parish, Holy Name of Jesus.

My liaison is Mitchell Kiteley. He is currently the Provincial Marshal Squire. He has served with the Board for 2 years. He loves mashed potatoes, and volunteering.

*"God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them ."*

## SERVICE PILLAR

**This pillar is a vital part of the Squires' foundation as we offer our time and effort to help others in need; serving in the footsteps of Christ.**

### **JULY CAR WASH**

With the weather being warm, a good service idea could be to wash some parishioners' cars during mass. Remember, it is important to be careful when cleaning the cars, as they may all be held close together in the parking lot. This event will help build character, as well as help out the parishioners at your church.

### **AUGUST SCHOOL SUPPLIES COLLECTION**

As school time gets close, a lot of kids might go without the proper school supplies. Your circle could ask your parish to donate backpacks, pencils, etc. so that your circle can donate them to the less fortunate. Squires may donate their own extras, or they may go door-to-door to ask the people of the community.

### **SEPTEMBER HYGIENE PRODUCT DRIVE**

To help out your local food bank, you could instead ask for hygiene products. A lot of people forget that food and water aren't the only necessities of life. Due to this, food banks and other charities often don't have enough hygiene products to go around. at the church to help. Those who use the food bank will be thankful.
