JANUARY - MARCH 2018

## JENS DEKKER

*Spiritual Committee Chairman*

Hello, I'm Jens Dekker, the Provincial Spiritual Chairman for this fraternal year. I am 15 years old and from Oshawa Circle, SK Leonard T. Smith #4742. I was the Sentry Squire and am serving my second year as the Bursar. My interests include my academics, as well as strategy games. My goal for this year is to get the Unity Cross well known and Squires deepening their faith.

My liaison is Zachary Lazure, the Provincial Sentry. He was also the Circle Chair last year. He is a dedicated runner.

*"Train a boy in the way he should go; even when he grows old he will not depart from it."*

## SPIRITUAL PILLAR

**This pillar is the core of the Squires, and it is through this pillar that we deepen our relationship with Christ, represented by the letter "C" in our logo.**

### **JANUARY**

#### **ROSARY NIGHT**

A great way to grow together spiritually is to hold a mass. Have the Squires participate in the mass by doing the roles of the mass, such as the readings, altar serving, and bringing up the gifts. Not only are Squires attending mass, they are learning new skills if they have not participated in the mass before.

### **FEBRUARY**

#### **RETREAT**

A Squire-lead Adoration is a great way to experience Jesus in a new way. There must be at least one person present at all times. Your circle could ask other members of your church to attend also. Squires should set up shifts so that there is always someone representing the Squires program.

#### **FREQUENT SPIRITUAL EVENTS**

One of the best way to grow spiritually would be to do spiritual events frequently. Ask your Father Prior if one Sunday every month, the Squires can help run mass or do a rosary prayer before mass. The takeaway is to not only have your Circle growing spiritually, but help your community to grow as well.
