

Take the next
STEP
as you graduate from the
Squires ...

As a Columbian Squire, you have taken many important steps toward acquiring the skills and attitudes of leadership. Having recently turned 18 years of age, you now stand at the threshold of a promising future. As you look at the many options before you, I ask that you give particular consideration to membership in the Knights of Columbus.

The Knights of Columbus is recognized as one of the world's leading organizations of Catholic laymen. With more than 13,000 councils and 1.7 million members and their families worldwide, wherever your future leads you, you'll find a Knights of Columbus council nearby.

The Knights of Columbus, in addition to offering expanded leadership opportunities, will enable you to keep current on issues facing society and the Church by receiving Columbia magazine monthly.

You may find the Knights' scholarship program of financial benefit to you.

You may also wish to consider the Order's insurance program which offers top-rated insurance products and your own professional Knights of Columbus agent — who is also a brother Knight.

But most of all, as the members of your graduating class are scattered in new pursuits, your Knights of Columbus council could serve as a gathering place for old and new friends to meet for sports, social activities, business contacts, service opportunities and as a link to the community.

Don't miss out on the benefits and opportunities the Knights of Columbus can offer!

I encourage you to contact your chief counselor, the grand knight or financial secretary of the council sponsoring your circle to discuss your next step on your journey to Knighthood.

The Knights of Columbus assures you of a warm reception into the Order. Continue the fun, friendship and service you have enjoyed in the Columbian Squires by taking the next step—into the Knights of Columbus.

Fraternally,

Carl A. Anderson
Supreme Knight
